[Docket No. 21001-200]

Court Review of Patent and Trademark Office Decisions; Correction

AGENCY: Patent and Trademark Office, Commerce.

ACTION: Final rule: Correction.

SUMMARY: Patent and Trademark Office corrects an inadvertent error in a final rule published in the **Federal Register** on Oct. 26, 1982 (47 FR 47380) which amended its rules of practice relating to court review of its decisions.

FOR FURTHER INFORMATION CONTACT: Joseph F. Nakamura by telephone at (703) 557-3525 or by mail marked to his attention and addressed to: Commissioner of Patents and Trademarks, Washington, D.C. 20231

SUPPLEMENTARY INFORMATION: On Oct. 26, 1982, the Patent and Trademark Office published a final rulemaking action revising paragraphs (a) and (c) of § 1.304 in Title 37. Code of Federal Regulations, to correct a reference in these paragraphs to the U.S. Court of Customs and Patent Appeals. The correction substitutes the name of the successor court, the U.S. Court of Appeals for the Federal Circuit. Through inadvertence, the text of paragraph (a) which was published on Oct. 26, 1982, was the text which had been superseded on Oct. 1, 1982, pursuant to an earlier final rulemaking action published in the **Federal Register** on July 30, 1982 (47 FR 33086). In the earlier final rulemaking action, paragraph (a) but not (c), of §1.304 had been revised to correct the name of the court. Accordingly, the revision of paragraph (a) of §1.304 in the later rulemaking action published on Oct. 26, 1982, in the **Federal Register** (47 FR 47380) is being deleted.

DONALD J. QUIGG,
Oct. 29, 1982. *Acting Commissioner of Patents and Trademarks.*

The following correction is made in the **Federal Register** notice of final rulemaking published Oct. 26, 1982 (47 FR 47380);

In paragraph No. 6 on page 47381, the language "paragraphs (a) and" in the introductory sentence is changed to read "paragraph" and the text of paragraph (a) of §1.304 o pages 47381-47382 is removed.

Reorganization of the Trademark Examining Operation

Introduction

The Trademark Examining Operation has reorganized its staff by adding two additional law offices (divisions) —namely, Law Office VII and Law Office VIII. A large number of examining attorneys and trademark classes have been transferred between law offices.

All clerical operations are still being handled by Law Offices I to VI for the time being. Instructions regarding access to trademark applications being examined in Law Offices VII and VIII may be obtained from clerical personnel in Law Offices I to VI.

A directory of examining attorneys is set forth below. The classes of goods and services assigned to each law office are also listed. All correspondence and inquiries pertaining to a trademark application should identify the current law office and the examining attorney handling the application.

The Trademark Examining Operation will obtain additional office space on the fourth floor of Crystal Plaza Building 2 in early 1983. At that time Law Offices VII and VIII will be relocated and will have their own clerical support.
